Mr. West,

Is there an update on the investigation that we requested on Mission Viejo and Saddleback Unified School District? We have not heard back and would like to know if this matter has been looked into. I have cc'd my co-counsel on this email. Please be sure to include her in all correspondence.

Sincerely,

Rich Sheer,

Thank you for taking the time to discuss the matter involving Phillip Bell III and Mission Viejo High School last week. Per our conversation you stated that if provided the information you would investigate to determine if there were violations of CIF's Blue Book.

I have attached the Complaint that was filed in federal court yesterday, which contains all of the facts. I also have attached the court order mentioned within the Complaint.

Based on Saddleback Valley Unified School District policy Phillip Bell III should not have been registered for this year's school year because he does not have a legal guardian that lives in the District. Furthermore, Phillip Bell III has not been at Mission Viejo High School for over a year, which means that he should not be eligible to compete in athletics without an active address in the District. Lastly Phillip Bell III is still a minor and has been traveling across state lines without the consent of his guardian.

We would like this situation looked into promptly. If you have any questions or concerns please don't hesitate to reach out to me directly.

Sincerely,

Jamir Davis, Esq.
